IT'S SERVICE & SUPPORT

EASY MAINTENANCE & SMART SUPPORT

Our easy and smart cara Print system means set up, maintenance and the exchange of wear parts are so simple to do, it can be done by yourself – quickly and without the need for a technical advisor. No more downtime, waiting for your equipment to be serviced! We have got you covered with a dedicated support hub for user guides, instruction videos and more. At kulzer.com/mycube-support you will find all the help that you will need to print your dental models.

In case you prefer to consult a Kulzer Expert, we still offer the same excellent local service and support, that is customary for Kulzer. Your local Kulzer team will be happy to assist you. We will accommodate your needs, so you can do your work more efficiently.

And for repairs beyond maintenance, all of our cara Print devices also come with a 12-month manufacturer warranty. On top we also offer extended warranty options for the cara Print Cube for either 12 or 24 additional months to give you the coverage that suits you best.
